SUPPLEMENTAL FEE PAYMENT FOR PETITION FOR TWO MONTH EXTENSION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Petition for a Two Month Extension of Time was filed earlier today. That Petition indicated that the fee for the Petition would be \$225.00.

Applicant wishes to pay the \$450.00 fee for the Petition for a Two Motion Extension rather than the reduced small entity fee. Applicant requests and authorizes that the Office charge an additional fee of \$225.00 for the earlier-filed Petition, so that the total fee payment for the Petition will be \$450.00.

Please charge any other fees, and credit any overpayment, incurred in connection with this submission to Deposit Account No. 13-0017. The Examiner is invited to telephone Applicants' representative to discuss any questions regarding the present application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael B. Harlin". The signature is fluid and cursive, with the first name "Michael" and last name "Harlin" being more prominent than the middle initial "B".
